

Faculty Exchange Program Report

Two Sessions Conducted under the MOU (2024):

MOU Coordinator: Ms. Kritika Agarwal

In a commendable effort to enrich the educational experience of B.com 2nd Semester students through diverse expertise and teaching methodologies, the Department of Commerce, Mariani College collaborated with Department of Commerce, Sarupathar College to conduct a series of faculty exchange programs under the MOU. The first session took place on 27th April 2024, focusing on "Corporate Accounting," followed by a second session on 28th April 2024, which centered on "Event Management."

The primary objective of these exchange programs was to foster an environment of collaborative learning and exposure to varied instructional styles and specialized knowledge in commerce-related subjects. This initiative aimed to broaden the students' academic perspectives and deepen their understanding in key areas of their curriculum.

Session Details:

First Session: Corporate Accounting

Date: 27th March, 2024

Instructor: Ms. Alimpiya Bordoloi, Assistant Professor, Mariani College

Platform: Google Meet

Moderator: Ms. Anjali Yadav, Assistant Professor, Sarupathar College

Ms. Alimpiya Bordoloi from Mariani College delivered an insightful session on "Corporate Accounting" to the B.com 2nd Semester students of Sarupathar College. The session highlighted key concepts and practices in accounting, engaging students with practical examples and interactive discussions.

Second Session: Event Management

Date: 2nd May, 2024

Instructor: Mr. Agni Bahadur Chetry, Assistant Professor, Sarupathar College

Platform: Google Meet

Moderator: Ms. Kritika Agarwal, Assistant Professor, Mariani College

Mr. Agni Bahadur Chetry conducted the subsequent session on "Event Management" for Mariani College students, focusing on the practicalities of organizing and managing events. This session included discussions on strategic planning, budgeting, and execution, providing students with a thorough understanding of the field.

Attendance and Participation:

Both sessions were well-received, with approximately Forty-Five (45) students participating in each webinar. Faculty members from both institutions also attended, providing support and engaging in the dialogue to enrich the students' learning experience.

Feedback:

Feedback gathered from the students and faculty was overwhelmingly positive, with many appreciating the depth of knowledge shared and the interactive nature of the sessions. Participants noted that these exchanges were instrumental in providing a more comprehensive understanding of their respective subjects.

Conclusion:

The faculty exchange programs between Sarupathar College and Mariani College have successfully set a precedent for future academic collaborations. These initiatives not only enhanced the learning experience but also fostered a spirit of community and scholarly exchange between the two institutions. Plans are underway to continue these programs, potentially incorporating more subjects to benefit a broader student base.
