

Blood Donation by volunteers (09/04/2024)

Blood Donation is a noble act that saves lives and contributes significantly to the health care system. Recognising its importance, three of the NSS Volunteers, Mariani College named Sobhik Dey, Binoy Debdas and Asis Jena actively participated in the blood donation drive held on 9th April 2024. The blood donation camp was organised by Marwari Yuva Manch, Mariani Unit. The camp aimed to contribute to the blood banks and encourage a spirit of community service among the youths. NSS volunteers contribution by blood donation was encouraged and congratulated by the NSS unit, Mariani College and also the Marwari Yuva Manch. “Ever blood donor is a Super Hero.” Their efforts not only provided support to the needy but also raised awareness about need for blood donation in the community.
