## From the Editor

### *New Normal*

With the ongoing pandemic we have encountered many delays and setbacks in our activities. 2021 had seen a second wave of Covid 19 in India due to which all educational institutions had to be shut down for more than 3 months And significantly upset what could have been a very productive year for Women Cell . However, against all odds, we managed to accomplish a number of our set goals through online platform. This year has also been fruitful for us with the addition of new members to our group. We believe that introduction of new blood will bring new vigour to the Women Cell, with fresh ideas and a renewed energy. Another significant milestone achieved is the appointment of Dr Manjula Borthakur as the Principal in charge of our college. We wish her all the best as she takes the college to new heights under her leadership.

Best wishes,

*Hoineikip Haolai*

*Dr. Bhupen Hazarika's Death Anniversary was observed by members of Women Cell on the 5th of November 2020. The faculty members of the college along with students paid their respects to the legend by lighting diyas and observing a moment of respect in remembrance.*

## **Annual Faculty Sports Meet conducted by Women Cell on 30/12/2020**

*The Annual Sports Meet of Women Cell, Mariani College was organised on the 30th of December 2020. Various games and sports were conducted for the members of the Women Cell. The remaining faculty of the college also took active part in the games. The students of the college also helped in organising and keeping score of the sports. The Principal also participated in many of the games. At the end of the programme prizes were distributed to the winners. It was a day of camaraderie and fellowship for all the faculty members.*

2nd -Archana Saikia

**International Women's Day** was celebrated by the members of Women Cell in Mariani College. The programme was initiated by planting of trees by Mr. Bipin Borah, Vice Principal followed by lighting of lamps. The programme was attended by many faculty members and students. Members of the Women Cell expressed their views and ideas on the theme of International Women's Day 2021 - "Each for Equal".

**World Environment Day** was celebrated by the members of Women Cell on 5th June 2021. The second wave of Covid 19 brought about another lockdown, so the members and students planted trees and plants in their own homes to observe this day.

### THE ROAD NOT TAKEN

*Robert Frost*

Two roads diverged in a yellow wood,  
And sorry I could not travel both  
And be one traveler, long I stood  
And looked down one as far as I could  
To where it bent in the undergrowth;

Then took the other, as just as fair,  
And having perhaps the better claim,  
Because it was grassy and wanted wear;  
Though as for that the passing there  
Had worn them really about the same,

And both that morning equally lay  
In leaves no step had trodden black.  
Oh, I kept the first for another day!  
Yet knowing how way leads on to way,  
I doubted if I should ever come back.

I shall be telling this with a sigh  
Somewhere ages and ages hence:  
Two roads diverged in a wood, and I—  
I took the one less traveled by,  
And that has made all the difference.
